

Introducing New Discovery Sling 2

Dear Customer,

We are pleased to announce the introduction of an additional weekly sling on Asia - West Africa trade, which will allow us to extended coverage and capacity by providing direct calls to Fuqing and Nansha in China, Tema in Ghana, Tin Can Island in Nigeria, and Colombo in Sri Lanka, at the time we are improving frequency from China and Malaysia to Nigeria and Ivory Coast.

New Discovery Sling 2 will be operated with 12 vessels of 3,100/3,700 TEUs capacity. Port rotation of 84 days will be as follows: Shanghai - Ningbo - Fuqing - Chiwan - Nansha - Port Kelang - Tema - Apapa - Tin Can Island - Abidjan - Colombo - Port Kelang - Shanghai

New Discovery will continue being served with 10 vessels of 2,500/3,100 TEUs capacity. Port rotation of 70 days will be as follows: Shanghai - Ningbo - Hong Kong - Chiwan - Port Kelang - Lagos - Lome - Abidjan - Port Kelang - Shanghai.

Additional connections:

- To Tin Can Island via **Lagos**.
- To / from Cotonou on Diamond Feeder via **Lome** and **Abidjan**.
- Connecting all imports to Middle East and Indian Subcontinent via **Colombo**.

New Discovery Sling 2 will start its operations on week 38 from Asia.
